LINCOLN CLUB

SAN BERNARDINO COUNTY

THE LINCOLN CLUB OF SAN BERNARDINO COUNTY is an organization comprised of community and regional leaders who work for lower taxes, meaningful spending reform and a return to free market principles which have made our country great.

Our goal is to establish a motivated Lincoln Club of San Bernardino County.

For decades, Lincoln Club chapters in California have been dedicated to limiting government and expanding freedom. It is time like-minded individuals in San Bernardino County join together for the principles on which our nation was founded and long prospered.

The Lincoln Club is based on the core conservative values of the Republican Party

- Pro Freedom
- Pro Business
- Individual Self Reliance
- Financial Responsibility

The Purpose of the Lincoln Club of San Bernardino County

- To educate and inform members on issues relevant to the Inland Empire; such as transportation, water, environment, budget, health care. The club will also keep the members current on legislative and political issues via a website and a newsletter.
- To promote and support candidates and political issues that follow the principals of the Republican Party.
- To work in conjunction with other Republican organizations to establish a candidate development program for current and future candidates. (i.e. A campaign school hosted by the Lincoln Club)
 - Create programs that increase voter awareness and participation.
- To support the San Bernardino county Central Committee with their two functions defined by the election code of voter registration and GOTV
